September 2018 Hoover, Alabama

Hoover **Krispy Kreme** hosts **Dixie Vintage Auto Club's** first Saturday Cruise-In each month.

The 3rd Saturday Krispy Kreme Cruise-In is scheduled to start in October and run through May. As always the 1st Saturday Krispy Kreme continues year round.

We are rapidly approaching the end of summer. During the cooler months of September and October it is hoped that everyone can get out and enjoy a Saturday evening of car shows. However, football games become a priority during this time for many of us.

New Process for Ordering Name Tags

Dixie Vintage President Jim Black has streamlined the process for ordering name tags. This new process will expedite the delivery of your nametag to your home. The order form will be available in the tent at Krispy Kreme Cruise-ins. The member needing a name tag will complete the order form and mail it with payment to Crown Trophy. The finished name tag will be mailed to you.

We encourage each of our members to own and wear a Dixie Vintage Car Club name tag. We really do want to get to know you. The cost of the name tag is \$10.00.

Automobile Club

The Dixie Vintage Antique Automobile Club Newsletter is published monthly by Dixie Vintage Antique Automobile Club, Inc., a non-profit Alabama Corporation. The purpose of this Club is to promote interest in restoring and preserving antique, classic, and special interest old cars; and to provide a social club for members and their families of mutual interest to all. Monthly meetings and activities are conducted in a variety of locations. We encourage membership from other automobile clubs and orphan marquees.

The only requirement to become a member of Dixie Vintage Antique Automobile Club, Inc. is an interest in the history and preservation of automobiles.

Dixie Vintage member Ralph Neely provided this information for our news letter.

In May the Mercedes Benz Club of America (MBCA) held StarFest2018, their largest national event of the year in Birmingham. The week-long event with over 300 participants and approximately 150 Mercedes-Benz cars included road rallies, track days at Barber and Talladega, Safe Driver Safe Family training as well as off road excursions in the Talladega National Forrest.

Technical sessions and factory tours were held at the MBUSI factory in Vance in addition to a judged Concours at the MBUSI Brand Emersion Center. Numerous social events were held throughout the week. The oldest participating vehicle was a 1913 Benz from Canada.

The event was hosted by the Alabama Section of MBCA and was co-chaired by Dr. Jim Roberts and Dr. Mason Beale of Birmingham, both national directors of MBCA.

Dixie Vintage member Ralph Neely was also a member of the event organizing committee and participated with his 1969 Mercedes Benz 280SL winning first prize in class at the Concours. Ralph Neely's 1969 Mercedes-Benz 280SL
