Thanks to Dixie Vintage member Marvin Rochester for sending these pictures and a description.

Rodney Scott BBQ is relatively new to this location but directly across from them on 3rd Ave. South, for as long as I can remember, there has always been a dilapidated building, garage & house.

With the recent revitalization of this area, RS managed to get them demolished. Once they took the structures down, they revealed a few old vehicles. The old truck caught my eye, so I stopped to get pictures.

Judging by the front end, side emergency door & oval upper windows, the school bus might be a 1957?

Truck looks like a 50 model & car, maybe 54? Just goes to show you, there are still old cars out there to uncover.
