Automobile Club

The Dixie Vintage Antique Automobile Club Newsletter is published monthly by Dixie Vintage Antique Automobile Club, Inc., a non-profit Alabama Corporation. The purpose of this Club is to promote interest in restoring and preserving antique, classic, and special interest old cars; and to provide a social club for members and their families of mutual interest to all. Monthly meetings and activities are conducted in a variety of locations. We encourage membership from other automobile clubs and orphan marquees.

The only requirement to become a member of Dixie Vintage Antique Automobile Club, Inc. is an interest in the history and preservation of automobiles.

1979 Pontiac Trans Am Reveal

By Gary Adams

Cruisers at the October Dixie Vintage Cruise-in at Hoover Tactical enjoyed an unusual automobile display. It was a reveal and celebration of the return to the road of a restored 1979 Pontiac Trans AM.

This Trans Am was purchased new from Brownell Pontiac by Elmer Palm. Elmer was from Donora, Pa. He was recruited to Ole MS on a baseball scholarship. After graduating from Ole MS with a mechanical engineering degree, Elmer was lured by US Steel to help run their pipe mill in Fairfield. The first thing Elmer did to this car was applied an undercoating. This undercoating proved to be crucial to the longevity of the car as it still has no rust nor accidents.

The Trans AM was Elmer's daily driver for several years and he loved this car. With three teenage girls in the family needing transportation it was passed down in succession to all three. The last of which was Susan, who drove the car in high school and later at Auburn.

Fast-forward several years and with several mechanical problems the car was put up for many years. Two years ago, Elmer's widow, Sharon Palm, sold the car to a family friend, me. With the help of Weil Wrecker Service, I got the car to my garage in Hoover and started the restoration process.

About four months ago the car was restored to the point of being back on the road. It still needed body work, paint, and a complete interior. At this point Bobby Allen, Helena, AL, stepped up to the plate and agreed to take on the project of removing the many dents and to paint the car. Bobby did an excellent job, the car looks superb, and I am so thankful for his fantastic work. I replaced and repaired the interior.

On hand to celebrate this important occasion was Elmer's widow, Sharon Palm, daughter Susan, and grandson Justin. Susan spoke to the crowd and relived a few moments in her life with the car. It was great! Please see the photos herein of the car as I found it in storage and completed. The car is Nocturne blue and is equipped with the Oldsmobile 403 engine, automatic, power windows, power disc brakes, limited slip differential, and tinted glass. Many thanks to my wife, Carlene Adams, also on hand for the celebration, for her patience and support as I labored many hours in the garage working on this thing. Also, I cannot thank Sharon Palm enough for selling me the car! Thank you, Sharon!

There are three more pictures of Gary's car at the top of page 4.
